Raising of marks for appearing in IIT- JEE

2522. SHRI VIJAY JAWAHARLAL DARDA:
SHRI GIREESH KUMAR SANGHI:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the present minimum limit of 60 per cent marks for entrance examination (IIT-JEE) is proposed to be raised so that students' focus of study becomes achieving higher percentage of marks in 12th class rather than concentrating on studies received from coaching centres imparting specialized tuitions for appearing in such an examination;

(b) if so, whether broad spectrum of views from varied faculty members of such IITs have been considered for this proposed raising of higher percentage in 12th class; and

(c) whether this will not come in conflict with introducing scheme of awarding 'grades' than 'marks'?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI D. PURANDESWARI): (a) and (b) The Joint Admission Board (JAB), which consists of representatives from all the Indian Institutes of Technology (IITs), Indian School of Mines (ISM), Dhanbad and Institute of Technology - Banaras Hindu University (IT-BHU) as well as a representative of the Ministry of Human Resource Development, makes recommendations in respect of matters relating to the Joint Entrance Examination (JEE). A Review Committee has been set up by the JAB to give its recommendations regarding factoring in of class Xli results on a percentile basis while deciding admissions into IITs. Integrating class XII results with JEE results would help reduce the dependence on coaching centres.

(c) As the scheme of awarding 'grades' is presently proposed to be introduced in class X only, the question of its coming into conflict with the scheme of cut-off marks in class XII for the purpose of admissions into IITs, does not arise.
